SÉANCE

AT THE VELASLAVASAY PANORAMA

Please join Cristo Bulan & Medium Miss Magda Rockmore in an attempt to contact this ethereal legend whose kohl-rimmed eyes and potent stare intoxicated cinema-goers of the Silent Era as Hollywood's original Vamp. Theda Bara's mesmerizing allure was further enhanced by her fabled heritage: Her Birthplace was believed to be in the shadows of the Pyramids at Egypt.

A Chance to Wallow in her Mystery! Sitters who attend the séance may first enjoy a selection of spirits by moonlight in the Velaslavasay gardens whilst listening to evocative music. A renowned fortune teller will be on hand for advice and predictions. The séance will then be conducted within the walls of the panorama. Following our conversation with Theda and The Beyond, coffee and tea will be served.
